

# EXTRATERRESTRIAL CONTACT RETREAT

AN EXPLORATION OF CONSCIOUSNESS AND EVOLUTION

Presented by Trance Channel Annie Bossingham

Bend, Oregon (near Sisters)

August 8<sup>th</sup> – 11<sup>th</sup> or August 22<sup>nd</sup> – 25<sup>th</sup>, 2024. Cost \$525

*Our location is a 'Portal to the Cascades' with extraordinary views of the Three Sisters Mountains. It includes Standing Stones, a Golden Mean Spiral, and a Mystic Mill – artistic creations seeded and implemented by our hosts. There is also a gorgeous pond surrounded by thousands of acres of forest service land. It is a spectacular setting for our contact journey!*

Throughout these retreats, there will be lectures by Iyla (Pleiadian), Anima (Sassani), a Mantis-Being (multi-dimensional), Nexus (a non-physical being) as well as other galactic and interdimensional contact facilitators. These unseen friends will design each weekend in response to the attendees' consciousness. Our time together includes guided meditations, lectures, space for questions and answers, and ample time to share your experiences.
